IMPORTANT EVENTS FOR YEAR 11s

Assembly – Wednesday 7 November (Auditorium 11.30am)
ipad returns – Friday 9 November
Last day of formal classes – Tuesday 13 November
Exams – Wednesday 14 November to Wednesday 21 November
See back page for the exam timetable and inside for exam tips. Please see Dianne Reed if you have any concerns about the timetable.

Sheldon's big year

THE North Lake Senior Campus Dux for 2012 was Sheldon Zhao who won five Year 12 subject awards.
Sheldon arrived in Australia from China in October last year and spent one month in the IEC.
She wants to study actuarial science and law at university and has applied for entry to universities both in Australia and overseas, including Oxford.
Eventually Sheldon would like to build her own company assessing financial risk.
She said she was pleased she came to North Lake, "Going to school with people from all over the world would be unimaginable in China. North Lake is a very friendly place and the students get on well with each other," she said. "In China there are very high level schools and very low level. In Australia there seems to be a consistent level of education, teachers and resources."
Sheldon's philosophy has been simple... "Keep working hard, that's what successful students do."

Get the basics right....

• do active reading – such as highlighting, underlining or circling words to develop a comprehensive set of study notes; don't just re-read notes

• seek help from the person who knows the exam ..........your teacher!

• make it fun......work with a small group of friends to test your understanding

• focus on what you don't know rather than going over what you know.

Use super strategies...

• test yourself on your summaries (don't just read!)

• test yourself on definitions/key terms/formulae (flash cards)

• ask yourself or a study buddy questions about the material

• look for links between different parts of the course with a mind map

• complete past paper problems in Maths and Sciences

• draw and label diagrams from memory for Human Biology

• practice writing essays in limited time under exam conditions for English.

Be kind to your brain and lead a balanced lifestyle...

• take short breaks from study at least every two hours

• have reasonably early nights

• eat a balanced diet

• engage in some physical exercise and social activities.
National selection for Sean

YEAR 11 student Sean O'Dea has been selected in the Australian wrestling team for the Australian Youth Olympic Festival to be held in Sydney in January.
Sean has represented WA twice this year winning gold in the Australian Nationals in Perth and silver in the school-aged nationals in Adelaide.
The Youth Olympic Festival will give Sean the chance to compete with wrestlers from China, Brazil, Great Britain, Hungary and New Zealand.
"It's pretty exciting," Sean told North Lake Weekly, "people from different countries have different styles so it will be good to compete with them."
"If I win gold, I win gold but the whole thing is awesome," he said. "To say I'm a Youth Olympian is awesome."
Sean said wrestling is a highly technical sport. "You really have to think about what you're doing," he said. "You also need to be strong and very quick and have really good cardio. It's a very explosive sport." He said the work he has done in phys ed had reinforced the things he had learned and experienced in wrestling.
Sean trains most days and hopes to take part in more international competitions with the Commonwealth Games in Glasgow in 2014 or the Gold Coast in 2018 possibly in his sights.
Good luck in Sydney Sean.
